*Welcome* to our  
▶ **individual & Family  
Dental Plan**

This plan has been designed to better assist our patients with no dental insurance, or very limited dental benefits. As a new member of our GD-PLAN you will have unlimited access to our providers, reduced fees and flexible payment options.

THIS IS NOT INSURANCE and is not intended to replace any dental insurance. This plan was created to provide services at Gentle Dental and Ironbound Dental Specialists only. The range of discounts will vary depending on the type of provider and service needed. Plan members are obligated to pay for all dental care services but will receive a discount from those providers who have contracted with the GD-PLAN.
